(L to R): Karl Boeckmann, Fernando Board Member and Past Recipient, congratulates Fernando Award Scholarship Winner Daryl Smith. “This scholarship changed by life and showed how people in the San Fernando Valley care about the future,” said Daryl Smith, 58 years old, the recipient of the 2007 Fernando Scholarship. The funds allowed Daryl, a Chatsworth resident, to attend Mission College and fulfill a promise to his 21- year old son. The promise: that he would find a way to attend college at the same time his son went to college. Thanks to the Fernando Award Foundation, Inc., Smith was able to fulfill his promise and his life’s dream.
